

## Tumbarumba to Rosewood Rail Trail Survey

For the 'Friends of' Committee

### The Trail is 3 years old (opened by Zoom on 4<sup>th</sup> April 2020)

This survey will be used to help answer questions we regularly receive from other groups around the state with regard to the success of our rail trail (which we think is considerable).

**Questions** – circle your answer, and/or make a short response

Where have you come from?

Local                      Visitor (where) \_\_\_\_\_

How many times have you been on this trail?

1            2            3            4-10            10+

How did you experience the trail?

rode                      walked                      ran                      triobike passenger

Did you hire a bike to ride the rail trail?                      Yes                      No

If you rode, what sort of bike did you use?

road bike            hybrid                      MTB                      ebike                      other \_\_\_\_\_

Would you recommend this trail to others?                      Yes                      No

Would you like to see this trail extended to Humula (another 30+ km)?            Yes                      No

**Comments on the trail** (positive or constructive criticisms). Please note that the Snowy Valleys Council maintain the trail, but we are in constant contact with them re maintenance issues. (use the back of this sheet if necessary)

### If you are a visitor to Tumbarumba/Rosewood

How many nights are you staying in the local area?

1            2            3            3+            where? \_\_\_\_\_

What brought you to Tumbarumba? \_\_\_\_\_
